

Prayers for God's Presence

I will be the same until your old age, and I will bear you up when you turn gray. I have made you, and I will carry you; I will bear and save you.

Isaiah 46:4

Can a woman forget her nursing child, or lack compassion for the child in her womb? Even if these forget, yet I will not forget you.

Isaiah 49:15

Now this is what the Lord says--the One who created you, Jacob, and the One who formed you, Israel--"Do not fear, for I have redeemed you; I have called you by name; you are mine. I will be with you when you pass through the waters, and when you pass through the rivers, they will not overwhelm you. You will not be scorched when you walk through the fire, and the flame will not burn you...Because you are precious in my sight and honored, and I love you."

Isaiah 43:1-2,4

He watches over his nest like an eagle and hovers over his young; he spreads his wings, catches him, and lifts him up on his pinions. The Lord alone led him, with no help from a foreign god.

Deuteronomy 32:11-12

The Lord your God who goes before you will fight for you, just as you saw him do for you in Egypt. And you saw in the wilderness how the Lord your God carried you as a man carries his son all along the way you traveled until you reached this place.

Psalms 37:24

Lord, you are a God who heals. You are a God who loves. You are a God who holds and carries your children through the hardest moments. I can't hold the MMC staff right now, but you can. Your heart of love is tender towards those who are yours. Carry them today. Let them feel your presence with them. I ask that you would calm their hearts and minds and allow them to rest in your faithful love. You promise that whatever comes our way, you are there guiding us and will never let us go. Never once have we walked alone, and they are not alone now.

Prayers for God's Healing

Thank you for gifting the staff at MMC with the brilliance and skill to excel at administering medical healing. Thank you for the training that the surgeons and medical staff have received to perform their work today. We ask that you would be their wisdom and guide their hands as the ultimate physician. Please let their work go smoothly and with no complications. Bring a full recovery to their patients and leave no sign of illness. Please show your healing power today.

Hebrews 10:23

—

God, I confess that yours is hope that I can stand on. Your hope anchors me when I feel overwhelmed because your hope is secure. Wash me in the truth of who you are as I pray. Fill the doctors, support staff, families, and our community with your hope that does not disappoint. When fear, anger, and discouragement show up, help them to acknowledge the emotions and rely on you to provide love, peace, and joy in their place. Fill them with your peace that surpasses understanding. Fill them with your light. I love you, oh Lord, my strength.

Now may the God of hope fill you with all joy and peace as you believe in him so that you may overflow with hope by the power of the Holy Spirit.
