

FAITH WALK

ALTAR OF DECISION

1. Think for a minute about the parallel of the relationship between Jacob and Esau and the people of God and their enemies. How does this still exist? How do we see it played out currently?
2. Reflect on how we make decisions. How do we ensure that we don't conform to the worldly ways? Give examples of worldly ideas/values/culture that is the norm but conflicts with Christian ways and values?
3. Read John 15:19. Dissect this verse sentence by sentence.
4. Read Genesis 28:10-22 and discuss how you see each of the various altars reflected in this passage. (New Beginnings, Covenant, Sovereignty)
5. What helped Jacob decide to follow God's plan? If you had such a vivid dream, what do you think your response would have been?
6. Thinking about Jacob and Esau, we can see sin evident in both of their lives, yet God worked through them both. Interpret that for your life.
